ENEA GUIDI

WEB3 DEVELOPER

+39 333 500 5981

guidi.enea@gmail.com

its-hmny.github.io

San Marino, Italy

OVERVIEW

Developer with 2 years of professional experience working on over 4 projects in a wide range of categories and technology stacks. I have experience in managing already well established projects, as well as designing and implementing new ones from the ground up. I lead a team of 3+ people, by prioritizing and managing the development tasks. I'm a strong team player, always keen on improving myself and receiving feedback from my peers.

JOB EXPERIENCE

WEB3 DEVELOPER

Moonia s.r.l. / February 2022 - Today   San Marino

Design and implementation of a scripts suite aimed at facilitating NFTs generation and minting, as well as a Web3 SaaS webapp to collect and manage NFTs project community data.

- Ethereum and Solana blockchains
- Smart Contract deploy and interaction
- Focus on cost effectiveness
- Fully modular architecture

FULLSTACK DEVELOPER

Botika s.r.l. / March 2021 - Today   San Marino

Implementation of a webapp for digital fairs creation and management during the Covid-19 pandemic, using the MERN stack and Typescript.

- Both national and international fairs
- 7.000+ online simultaneous users
- Focus on accessibility, i18n and UI/UX
- Third party services integration
